Memo No. Const./2023-24/22-43

Date:- 27/04/2023

**Subject: Regarding revised land norms for sub health centres and Health & Wellness Centres.**

\*\*\*\*\*

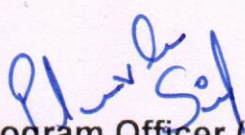

In reference to the subject above.

It is informed to you that as per revised land norms the required land for construction of Sub Health Centres: Health and Wellness centres is as follows:-

| S.No | Type of SHC:HWC                                             | Required Land area |
|------|-------------------------------------------------------------|--------------------|
| 1    | SHC:HWC without labour room and residences                  | 23×33 meters       |
| 2    | SHC:HWC with labour room and residences (only district Nuh) | 24×33 meters       |

Your office is requested to ensure that land available for new construction of HWC:SHC and reconstruction of condemned HWC:SHC should be atleast as per table above.

Therefore, kindly ensure that requisite land is available for condemned/new Sub-Health Center.
